PART 3 – REPORT OF COMMITTEE'S CONCLUSIONS

Adjustment in fees

4. The Legal Costs Committee decided that for the purposes of administration and accounting convenience, it would amend all fees in the Scale so that they are divisible by 11 (except photocopying charges). This brings this Scale into line with all other Scales of Legal Costs for which the Legal Costs Committee has responsibility.

Scale of costs to be adopted

5. (1) It is the recommendation of the Legal Costs Committee, after reviewing the information gained as a result of the inquiries and submissions described in clause 3, that the scale of costs set out in the Table to clause 4 of the *Legal Practitioners (Public Notaries) Determination 2006* be adopted for the business of Public Notaries.

(2) It is the further recommendation of the Committee that given the amendments to the scale of costs in the manner set out in the Table to clause 4 of the *Legal Practitioners (Public Notaries) Determination 2006* were inclusive of any provision for the Goods and Services Tax (GST), the scale of Public Notaries fees continues to be inclusive of GST.
